### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with B. Craig Killough on 07/25/05.

The application has been amended as follows:

Claim 16, line 10, after "said chains" insert --where said sail attached to said chains--.

The following is an examiner's statement of reasons for allowance: no prior art of record, alone or in combination, teaches or fairly suggests a sail laterally between at least two chains of a swing, wherein the sail is mounted to each of the chains by at least two lines that are attached to the sail and each of the lines is removably attached to the chains. Also, no prior art of record teaches the sail extends horizontally across substantially an entire distance between the chains where the said attached to the chains and wherein the large plane of the said is comprised of fabric.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
